Spring 2011 Anime Catalog

Welcome to our Spring 2011 Product Catalog!

I certainly have spring fever, and I'm anxiously awaiting the green to return to my Iowa home. I do love this time of year, when the flowers are in bloom, and the buds on the trees bring new leaves. The fresh air and feeling of growth is invigorating!

On the work front, our staff has been super busy working on our upcoming releases for our Nozomi label, including the long-awaited *Antique Bakery*, a wonderful series from Fumi Yoshinaga about a man who stuns his friends and family by quitting his office job to run a bakery, along with a band of others looking to move beyond their troubled pasts. Many have viewed this title as a yaoi-type piece, but it's really not, but instead a great show about the human condition. Check out the article about the series on page 4.

Coming this summer you'll see the second season of *Junjo Romantica*, and the terrific *Sound of The Sky*. Plus, we're planning to bring *Utena* back with some great limited edition sets this year including lots of incredible extras. And there's more to come! Watch for new announcements in the coming months!

We are a service organization, and the service we provide to our customers is very important to me. Our staff works very hard to make sure that we get your orders out as quickly as possible and that they arrive to you undamaged in cartons actually designed by our staff to withstand the angriest of shipping services. Plus they're eco-friendly too, being completely recyclable. Give us some feedback of how our packaging fared and how we did on your order at green.rightstuf.com, or feel free to drop me a line if you received outstanding service from our people, so that we can reward their efforts.

Thank you for your continued business!

ITEM LISTINGS

Ratings System

To benefit our customers, we have implemented a rating system for many of our products based on the manufacturer's suggested rating for each title.

N/R

Not yet rated.

ALL 7+, 10+

Generally acceptable for children. No nudity. Possible mild violence.

12+, 13+, 14+

Parental discretion advised. May contain violence, brief nudity, mature themes, and/or mild language. May suggest sexual situations, but no such situations are shown.

15+, 16+, 17+

Strong violence and explicit language. Nudity may be prevalent. Mild sexual situations may be shown.

18+

Extreme violence, and/or explicit nudity. May contain sexually explicit material. Absolutely not for anyone under 18 years of age.

Please note: Right Stuff does not set ratings and is not responsible for errors, omissions, or inaccurate ratings. These ratings are guidelines only and are subject to change.

Runtime / Page Count

The listing for each item contains information detailing its approximate length. Depending on the manufacturer, this may or may not include extra bonus features, such as previews or forwards. An N/A indicates that the manufacturer has not provided this information at this time.

Edited and Uncut

Although many fans screech in horror at the very thought of altering the original Japanese version of a show, for a series to make it to American TV (or even into some retail stores), it is often edited. This can mean that scenes containing nudity, excessive violence, blood, and foul language are altered or even totally removed. Anime purists may want the original in all its glory, but parents of young TV viewers do not. Manufacturers recognize this and sometimes release both the Edited (TV) and the Uncut (original) versions of the show.

DUB ONLY? SUB ONLY?

Although DVDs and Blu-ray discs allow for the possibility of multiple languages, it's not always possible to license a title for dual-language release. So, you end up with manufacturers releasing discs that are Subtitled Only (SUB ONLY) or English Dubbed Only (DUB ONLY). Subtitled discs display the dialogue on the bottom of the screen while the actual voices are still in Japanese. Dubbed means the music is (probably) intact, but the voices have been redone in English. In our online store, subtitled items are represented by (S) and dubbed items are represented by (D). You will also

see (Hyb), which means that both the subtitled and dubbed versions are on the same disc.

Release Dates

If an item has not yet been released at the time of this catalog's printing, you may see a release date listed. However, manufacturers can (and often do) change these dates due to production delays. If you are pre-ordering an item and are concerned whether it's on schedule, please feel free to check the release date on our online store, or feel free to contact our friendly customer service representatives.

Mosaic

The digital "mosaic" effect is sometimes placed over the relevant bits during a particularly adult sequence prior to the title being exported from Japan. When we are aware that a title has this effect, we'll mark it as Mosaic in the listing.

OVA (OAV)

OVA stands for Original Video Animation. Basically, this means it is a direct-to-video release.

Special Collections

Certain DVD and Blu-ray items are marked with names such as "Viridian Collection," "S.A.V.E. Editions," etc. These are re-releases of the original discs at lower prices. However, these editions may or may not include all of the features that were found on the original releases. If you are concerned that the item you are considering may not contain the features that you want, please feel free to contact Customer Service or check the item's listing through our online store.

Missing Volumes

You may notice volume gaps in our printed catalog listings. This is not necessarily because the products aren't available, but merely because we couldn't fit every item into the printed catalog. If you are looking for a certain volume, please feel free to contact Customer Service or check our online store.

DVD/BLU-RAY SPECIFIC

Can my DVD play in a Playstation / Xbox / personal computer?

It depends on the DVD. There have been instances of some DVDs having difficulty playing in certain players. While the vast majority of DVDs will work just fine, we cannot guarantee all DVDs will play correctly on your Playstation, Xbox, or personal computer.

What is Region Coding?

Region coding is a geographical restriction for DVDs and Blu-ray discs. Since players are region specific, you need to make sure that the item you purchase is coded for the same region as your player. All DVDs and Blu-ray discs we sell are region coded for the United States.

What region is my player?

If you purchased your player from a retail outlet in the U.S., it should be Region 1 for DVD players or Region A for Blu-ray players. You can check the region coding on your player by

looking for the region code symbol on the player's packaging.

DVD Region Codes:

- 0 Region Free
- 1 United States and Canada
- 2 Europe, Egypt, Arabia, Japan and South Africa
- 3 Korea, Thailand, Vietnam, Borneo and Indonesia
- 4 Australia and New Zealand, Mexico, the Caribbean, and South America
- 5 India, Africa, Russia and former USSR countries
- 6 People's Republic of China

Blu-ray disc Region Codes:

- A The Americas, Korea, Japan, and Southeast Asia
- B Europe, the Middle East, Africa, Australia, and New Zealand
- C Russia, India, China and the rest of world

Will a Blu-ray disc play in my regular DVD player?

Just as CDs and DVDs require different types of players, so do DVDs and Blu-ray discs. In order to play a Blu-ray disc, you must have a Blu-ray player or a Playstation 3.

Will a DVD play in my Blu-ray player?

While some Blu-ray players will also read DVDs, not all do. We cannot guarantee that all DVDs will play in your Blu-ray player.

CUSTOMER SERVICE

How can I contact you?

Our friendly Customer Service Department can be reached by phone from 8AM to 5PM Central Standard Time (CST), Monday through Friday:

Domestic (U.S.): 1-800-338-6827
International: (515) 986-1028

You can also contact us day or night, 7 days a week, online:

On the Web: www.rightstuf.com
By Email: info@rightstuf.com

Please don't email your order or credit card information.

You can also contact us by the traditional methods:

By Mail: **Right Stuf**
PO Box 680
Grimes, IA 50111-0680
(515) 986-1129
(Please use FINE mode)

Can I get a new order form?

You can give us the information on the form or on any scrap of paper. As long as we can read it, you're fine. You can also print copies of it at www.rightstuf.com/orderform

How can I check on my order?

If you placed your order through our online store (www.rightstuf.com), you can check your order status when you log in. Otherwise, simply call our friendly Customer Service representatives at 1-800-338-6827 or email us at info@rightstuf.com

Do I need to add sales tax?

Only if you're shipping to Iowa address.

How long will an item be out of stock?

With a few exceptions, item delays can be measured in days. There are some freak delays, but 2-4 weeks is usually a safe figure. However, please keep in mind that some items are directly imported from Japan and may be in short supply even there. Should the vendor be out of stock at the time of our re-supply order with them, it may be a bit longer. We keep thousands of items in stock, and our computer system automatically adjusts stock levels based on demand.

Can I use my coupons online?

Yes, you can. Simply use the coupon code that is on your coupon when you place your online order.

How many coupons can I use?

You can only use one coupon per order, and some coupons can only be used one time per customer. Some coupons can also only be used through our online store. Please see coupon details for specific restrictions.

Can I order "Shawne's Daily Deals" through the mail or over the phone?

Sorry, but these special offers are only available through our online store. If you check in often enough, you might find some amazing deals!

If I move, should I inform you?

Certainly a good idea, especially if you want to keep getting stuff from us. Just drop us a quick note, giving us your old address and your new address, so we can update our records.

MAIL-IN ORDERS

I went to your online store to order, but I don't have a credit card. Help!

Should you prefer to use the online store to select items, you can actually use it to place an order by mail! Simply select all of the items you want and place them in your cart. When you proceed to checkout, make sure to choose the "faxed or mailed order" option. This will generate a printed form with everything already added up for you (no more calculators!). Just print this form and mail it in with your payment.

Although you can use the online store to generate your order, nothing will be recorded by our system, so make sure that you don't lose your form or you'll have to re-enter everything all over again! Please note that online coupons are not valid on mail-in orders.

I saw a coupon on the internet; can I use it?

Some coupons and short-term deals, such as "Shawne's Daily Deals," can only be used through our online store and cannot be honored for mail-in orders. This is generally due to specific date or manufacturer requirements, which cannot be imposed on mail-in orders. Please review the specific restrictions of the coupon to see if it can be applied to your mail-in order.

I saw a special deal / daily deal on the website. Can I put it on my mail-in order?

See previous coupon explanation.

Why do you hold my order for 12 days when I pay by check?

Even with all this cool technology, checks can still require at least 12 days to clear.

What's this NSF charge?

"Non-Sufficient Funds" means that your check bounced. There is a \$25 charge for all returned checks. Once you have bounced a check, all further orders must be paid for by either credit card or money order.

PAYMENT METHODS

Do you take VISA / MasterCard / Discover / American Express?

Yes to all. About the only plastic that we don't take are standard ATM and gasoline cards.

If I order using a credit card, when do you charge it?

Credit cards (by law in our state, actually) get charged only when the product actually ships.

I'm an international customer.

What's with this extra data you need?
With international mail and credit card fraud becoming a growing problem, we feel it's better to ask you for additional information rather than charge everyone outside the country a lot more for their stuff. For first-time orders only, we require a copy of some form of address verification, which shows your address, along with a photocopy of BOTH the FRONT AND BACK side of your credit card. For security purposes, you may black out one set of digits. Upon request, we can provide a secure website location for our international customers to submit this information.

This policy only affects first-time international customers. However, should your address or credit card information change, we will re-request this information in order to protect you and to update our records. This policy is in place to help keep credit card fraud to a minimum and to ensure that our customers have the utmost security when ordering with our company. This information is destroyed after verification.

SHIPPING

How long will it take to ship my order?

From the time we receive your order and place it in our system, standard processing time is 24-48 hours. If some of the items are on back order, it can take an average of 10-14 business days for us to receive the back-ordered items. Then, standard processing time goes into effect.

What are your methods of shipping?

Please see our order form for details.

Are more shipping options available?

Additional shipping options are available for orders placed by phone and through our online store.

How much is shipping for box sets?

Box sets are considered single items for shipping purposes.

I'm not at home during the day. Can you ship to my office?

Certainly. In fact, we prefer to do this to ensure that you actually receive your order. Please provide us all the information that you can, including the name of the company, so your delivery person can get your package to you. We require that you include the business' name in the address.

We are happy to work with you to get the product to you as quickly as possible. You can also choose to have your order shipped to you by mail instead. Please note: This policy applies only to our domestic customers. For international customers, we must ship to the billing address on your credit card.

I chose express delivery when placing my order, but it still took 2 weeks to arrive. Why?

You must have ordered a product that we didn't have in stock at the time that we received your order. If an item is out of stock when we receive your order, we still ship it out by express delivery the moment we receive it from the manufacturer. Although we do keep significant stock of the items in our catalog, there are times when there may be delays getting items from the manufacturer, as discussed above.

What happens if my country will not allow me to have this sort of item? / My order was seized by customs?

Please consult with the postal authorities of your country prior to placing an order for adult items. We cannot be held responsible for seized shipments or provide refunds for seized products.

RETURNING MERCHANDISE

When I got my item, it was defective. What can I do?

If your merchandise is defective due to a flaw in manufacturing, we are more than happy to replace the product. Unopened discs can be returned for store credit (or in the case of credit cards, refunded to the issuing card).

All returns/refunds must be processed within 90 days (120 days if you are a Got Anime member) of the date on your purchase invoice. If you need to complete a return/refund, please obtain a return authorization number from Customer Service, or utilize our online return request form at: www.rightstuf.com/requestform

Do I have to pay shipping to return a product?

Yes, but we will pay the shipping to send the replacement back to you. We suggest using the least expensive shipping method available that can be tracked. If you have been shipped an item that you did not order, we will reimburse your shipping costs to return the item to us.

The packaging said it would include (special item), but mine doesn't have it!

Unfortunately, we have no control over what manufacturers decide to place inside of their products. Sometimes the manufacturers do provide special

extras, but we cannot guarantee that these items will be inside of the products that we receive. Should the item not be included, we suggest that you contact the manufacturer directly.

GENERAL

Why do you charge for your catalog?

In order to keep producing a printed catalog, we have to charge a small fee for it. However, you can get your money back by using the \$4-off coupon on page 63!

Will I get your next catalog?

If you've ordered something from us in the last 6 months, you will automatically receive the new catalog when it is shipped. If not, you may find that you'll stop receiving catalogs, and you will have to send us the current catalog fee to reactivate.

When does your catalog come out?

Every spring and fall!

Where are the Adult products?

Since the catalog is delivered to anime fans of all ages, we've taken special precautions to ensure younger fans are not exposed to listings for products that contain explicit violence, adult situations or sexual content. Products of this nature have been placed in a special adult insert, and you will only receive it if you've ordered these products in the past.

If you would like to receive a printed copy of the adult section, you can send a written request by mail to:

Right Stuf
Adult Catalog Request
PO Box 680
Grimes, IA 50111-0680

A free downloadable version is also available on our website at: <http://catalog.rightstuf.com>

What's this "Got Anime" thing?

It's an easy way to get an additional discount on your favorite anime items. For a small yearly membership fee, you get additional discounts, newsletters, and members-only specials! Read more about the Got Anime Savings Club on page 6. Please note that international members of the club no longer receive mailings, due to postage costs, but the same newsletters are available online.

Memberships are non-transferable and are linked to the billing address of your account. If you move, please make sure to contact us with your updated information so that we can update your membership information.

Why don't you carry many imports?

Limited availability of imports and lack of timely distribution of such overseas items make it difficult to provide quality imports on a timely basis. As such, these items are only listed on our online store, so if you're looking for a particular item, please check our online store or contact customer service.

Why don't you have (title here) audio soundtrack from Japan?

See previous question. You also might want to check our online store, since

some titles are available domestically.

I really want to learn Japanese. What resources do you have?

We have many products to help our customers learn about Japan and the Japanese language! Whether you're just starting out or you're ready to move onto the next level, we carry the latest items to help you learn the Japanese language. These items are available on our online store, including everything from videos and textbooks to memory aids and intermediate readers.

I saw this show that I think might have been anime. Do you have it?

If you can give us enough information, someone can usually identify the program. Please understand, though, that if you ask us about something where "there's a girl who's like a magic user, a guy with a sword, and a villain who wants to take over the universe," there's a problem. This describes about half the films ever made. Also, knowing what a series or movie is doesn't necessarily mean that it's available in the U.S. as a licensed product, but it could be.

Why isn't (title here) available in the U.S.?

You might be surprised to find out how much anime is available in the U.S. Of the few titles that remain unlicensed, some titles have their rights disputed, some licensors want more money than a title can possibly generate in this market, and of course, some are currently in negotiation. With the exception of a few TV series (which are a different matter entirely, due to their length), this just about covers it. We do not sell bootlegged products.

Can I special order items that are not on the online store?

Simply put: If it isn't on our online store, we can't get it at the moment.

What are some good shows for small children?

Although this is truly a matter of personal preference, we recommend Yu-gi-oh, Pokémon, Teenage Mutant Ninja Turtles, Kimba, and Astro Boy for young anime fans. You might also consider the Sanrio titles like Hello Kitty. Look for the "ALL" age rating in item listings for child-friendly titles.

What's the most horrible, tasteless adult anime you offer?

That really depends largely on the person you ask. Some would say Cool Devices and Night Shift Nurses, others Love Doll and Bible Black. These titles are certainly not for the squeamish and are most definitely only for adults.

SOUND · OF · THE · SKY

ソラ・ノ・ヲ・ト

Where do you find inspiration?

It's a question posed by Nozomi Entertainment's newest series - *Sound of the Sky* - both behind the scenes and on screen.

Sound of the Sky (Sora no Woto) began its life as the first project in an initiative by TV Tokyo and Aniplex/A-1 Pictures to develop "original animated content" for television. Since the story was not adapted from a manga, novel or video game, its staff was faced with the challenge of channeling its collective inspirations into both the creation of engaging characters and building the world they inhabit from scratch. The results put a distinctive spin on what we, as viewers, have come to expect from an animated series.

Post-apocalyptic landscapes are a staple of anime, and viewers are introduced to this series' war-torn, slightly anachronistic setting through the eyes of Kanata, the newest member of the Helvetian Army's 1121st Platoon based out of the Clocktower Fortress. As the new girl stationed on the edge of civilization, are the sights she sees that unusual? Or are her reactions merely those of an inexperienced youth who is away from home for the very first time?

Then there is our new recruit's not-so-obvious reason for joining the military. During the war, Kanata was rescued by a female soldier and awestruck by the melody she played on her trumpet. Kanata was so inspired that, as a young adult, she is determined to follow in that mysterious soldier's footsteps. Someday, she hopes to recreate the feeling she had when she first heard that clear, golden sound.

The backstories and motivations of the soldiers who serve alongside Kanata also unwind, as they fill their days with work, training and adventures that range from the dramatic to the humorous. However, one fact remains both daunting and ever present: Although a ceasefire has been declared, the women of the 1121st Platoon are charged with both maintaining the Clocktower Fortress and defending the nearby town from enemy attack.

If that time comes, will Kanata's enduring optimism help them in the face of events that seem beyond their control?

A little inspiration might go a long way...

BAKERY

Whenever a favorite story is adapted for a different medium, two things are foremost in its fans' minds:

1.) "Did the new creative team capture what I loved most about it?" and 2.) "Was the original creator consulted?"

In the case of *Antique Bakery's* anime adaptation, Nozomi Entertainment is happy to answer "yes" to the first question and an unqualified "yes" to the second. Manga creator Fumi Yoshinaga wasn't just involved. She was a frequent visitor during the voice actors' recording sessions... as you'll discover in this brief excerpt from the interviews with her and the voice actors that are included with Nozomi Entertainment's upcoming release of the series.

Ms. Yoshinaga, you attended almost all of the voice recording sessions. What did you think when you first heard their voices?

Fumi Yoshinaga: Instead of just recreating their characters from the manga, the entire cast added their own interpretations. Plus, there were moments of sheer acting brilliance that far exceeded my expectations. It was great fun to be able to witness those moments.

Eiji Hanawa: We did it, Mr. Fujiwara! (laugh)

Keiji Fujiwara: Yeah! (laugh) You think about how being too faithful to the original manga isn't good, but on the other hand you don't want to stray too far from it either. Sometimes the most expressive performances that are still faithful to the book happen when you're not even thinking about them.

Eiji Hanawa: Right! Like that scene when Tachibana is talking to his mother on the phone.

Fumi Yoshinaga: In that scene Tachibana was really great. One minute he's acting all cool and then he's suddenly calling his mother practically in tears. It was really heartwarming. (laugh)

Keiji Fujiwara: At first, I wasn't sure how much I should switch gears from the serious scene to the gag scene.

Fumi Yoshinaga: The other scene I really liked was when Chikage told the French master pâtissier to back off from Ono. I figured you'd make Chikage sound really cool there, but you made him sound so much cooler than I had imagined. And the part where Chikage cries afterwards! Yes, I drew that, but when an actor gives a character a voice, it's as though they're breathing life into it. It's a strange but incredible feeling.

Keiji Fujiwara: Because Ms. Yoshinaga attended all of the recording sessions, we felt that we got her stamp of approval. We didn't have to wonder what she'd think after she saw it on the air.

Eiji Hanawa: We figured if you're always leaving with a smile on your face, we must be doing a good job.

Fumi Yoshinaga: I'm so glad to hear that. I was afraid you thought that I was silently pressuring you because you all stared at me every time I came.

In food and in life, one must taste what is bitter to appreciate what is sweet...

FRANZ KAFKA'S A COUNTRY DOCTOR & OTHER FANTASTIC FILMS BY KOJI YAMAMURA

Koji Yamamura is considered one of the greatest independent Japanese animators of this generation. Yamamura has fashioned entirely distinctive, stunningly imaginative worlds with free-spirited creativity; trees grow out of heads, birds dream of fruit, and children are swallowed by whales. This collection presents Yamamura's most remarkable works for the first time in the U.S., including his latest masterpiece, Franz Kafka's A Country Doctor.

BLOOD ALONE

Young vampiress Misaki would die to protect her human companion, former vampire hunter turned investigative author Kurose Kuroe. Vampirism and the beastly powers that come with it are something Misaki wouldn't wish upon her worst enemy, let alone her beloved Kuroe, but Kuroe's supernatural investigations make him a regular target for all sorts of undead creatures of the night. The only way to save him from these deadly threats may be to do the one thing that Misaki fears the most.

Young Mikan runs away to Tokyo following her best friend, Hataru, who has been enrolled in an exclusive, secretive private school. But it turns out that Alice Academy is a lot more than meets the eye. Whether it's Hataru's gift for inventing gadgets, the cranky Natsume's fire ability, or Professor Natsumi's control of human pheromones, everyone at the school has some sort of special talent. Mikan is going to have to rely on her courage and spunk if she's going to stay in school - or even stay alive!

GANTZ

The last thing Kei and Masaru remember was being struck dead by a subway train while saving the life of a drunken bum. What a waste! And yet, somehow, they're still... alive? Or semi-alive? Maybe it's reanimated... by some kind of alien orb with a nasty message: "Your lives are over. What you do with your new lives is up to me!" And what this orb called "Gantz" intends to do with their lives is make them play games of death.

K-ON

When their high school's pop-music club is about to be disbanded due to lack of interest, four girls step up to fill the membership quota. Unfortunately, lead guitarist Yui Hirasawa has never played an instrument in her life, and standing in front of the mirror posing with her guitar is a lot easier than actually playing it. It's gonna be a while before this motley crew is rocking out, but with their spark and determination cranked to 11, anything is possible!

THE INNER CHAMBERS

In Edo period Japan, a strange new disease called the Red Pox has begun to prey on the country's men. Within eighty years of the first outbreak, the male population has fallen by seventy-five percent. Women have taken on all of the roles traditionally granted to men, even that of the Shogun. The men, precious providers of life, are carefully protected. And the most beautiful of the men are sent to serve in the Shogun's Inner Chamber...

MIJEONG

In the cold city, young people's lives cross and spark for brief moments. From the girl who deals sensitively with an older man obsessed by youth to the group of friends who find their friend has committed suicide but fear they might be implicated, these are wounded characters, squashed by the daily hard realities of urban living but whose destinies take sudden, unannounced turns and their inner flames shine bright and wild, even if only for a brief time.

SEPPUKU: A HISTORY OF SAMURAI SUICIDE

The tradition of seppuku - Japanese ritual suicide by cutting the stomach, sometimes referred to as hara-kiri - spans a millennium. Samurai revered seppuku as the most honorable form of death. Here, for the first time in English, is a book that charts the history of samurai suicide from antiquity to modern times. Trace the origins of seppuku in ancient myth from the death of legendary

warrior Minamoto no Tametomo in 1170 to the celebrated ritual suicide of General Nogi Maresuke in 1912. In between are countless examples of heroic courage, loyalty, and sacrifice.

COOKING

EDOMAE SUSHI: ART, TRADITION, SIMPLICITY

"Edomae" means "in front of Edo," the old name of Japan's capital city. In 19th-century Edo, workers in search of quick, nutritious meals favored sushi made from freshly caught fish and vinegar-seasoned rice. Over the years, Edomae sushi became increasingly well-respected. Today, there are few written records about true Edomae sushi, but its technique and soul have been passed down from chef to chef. Now, master chef Kikuo Shimizu reveals how authentic Edomae sushi is made.

SHIPPING

Box Sets

Box sets are considered single items for shipping purposes.

Shipment Time

From the time we receive your order, standard processing time to ship it is 24-48 hours. Express shipping means that your in-stock item(s) will be shipped via 2 Business Day service.

Actual shipment time can vary based on whether the item(s) is in-stock at the time we receive your order. If an item(s) is on backorder, it can take an average of 10-14 business days for us to receive it. Standard processing time then goes into effect.

Additional Shipment Options

If you need your order delivered by a specific date, additional shipping options are available by phone (800-338-6827) or through our online store (www.rightstuf.com).

Shipments to Military Addresses & U.S. Protectorates

In the U.S., including APO/FPO (AA, AE, AP), PR, GU and VI, please use the Domestic Shipping Options. If you have a PO Box, or are stationed in the service, our standard shipping is via mail because UPS will not deliver to these locations. If you live outside of the areas above, please use our International Shipping Options.

Shipments to International Customers

Shipping companies or local governments may charge an additional fee for taxes or for delivering your package to your country. Such fees and customs duties are not included in our shipping price and are your responsibility. We will not be responsible for seized shipments and cannot provide refunds for seized products. Please check to make sure you are in compliance with all local laws if you are ordering any adult product.

Shipments to Commercial Addresses

Domestic (U.S.) customers may elect to have packages delivered to an alternate work address. You must include the name of the business in the shipping address. If your package is returned to us, we will charge you an additional shipment fee to reship it.

Shipment Confirmation

Shipping confirmations are often sent via email to the email address provided on the order form. Please make sure to write your email address as clearly as possible.

Split Shipments

For domestic (U.S.) orders: We may, at our option, ship your order in multiple shipments. Please note that, in general, only shipments using the economy ship method will receive partial shipments. Due to increased transportation costs, orders shipping by other methods or internationally may be held until the order is complete. You may request a shipment of in-stock items at any time for an additional fee (based on the ship method you have selected) by contacting customer service.

PAYMENT METHODS

Domestic (U.S.) Orders

We accept checks and money orders in U.S. funds. Please make all checks / money orders payable to Right Stuf, Inc. All checks require at least 12 days to clear our bank. Sorry, no CODs. PLEASE DO NOT SEND CASH THROUGH THE MAIL!

We also accept the following credit cards: MasterCard, Visa, American Express, and Discover. If paying by credit card, we may contact you to obtain additional details for security purposes. Shipment may be delayed until we have received the information necessary to complete your order.

International Orders

We accept money orders in U.S. funds. Please make all money orders payable to Right Stuf, Inc. Sorry, we do not accept international checks. PLEASE DO NOT SEND CASH THROUGH THE MAIL!

We also accept the following payment methods: MasterCard, Visa, American Express, or Discover. For first-time orders, we require a copy of some form of ID (driver's license, passport, credit card statement, utility bill, etc.), which shows your address along with a photocopy of BOTH THE FRONT AND BACK sides of your credit card. For security purposes, you may black out one set of digits. Right Stuf can provide a secure website location for our international customers to submit this material. This information is destroyed after verification.

RETURN POLICY

If your merchandise is defective due to a flaw in manufacturing, we are more than happy to replace the product. Unopened DVDs and Blu-rays can be returned for Right Stuf store credit (or in the case of credit cards, refunded to the issuing card). All returns must be processed within 120 days of the date on your purchase invoice. If you need to complete a return, please obtain a return authorization number from Customer Service at 800-338-6827 or utilize our online return request form at: www.rightstuf.com/requestform

Products returned without a return authorization number, or those more than 90 days (120 days for Got Anime members) after the invoice date, will be returned to the customer at our option.

If your package was damaged (such as a crushed box) while in transit: if delivered by UPS, please contact UPS directly at (800)-PICK-UPS (1-800-742-5877). If delivered by Mail, please contact your local postmaster.

COUPONS

You may use one coupon per order. Some coupons and short-term deals, such as "Shawne's Daily Deals," can only be used through our website and cannot be honored for mail-in orders. Please see coupon details for specific restrictions.

ADDITIONAL ORDER FORMS

If you need additional order forms, you may make copies of this order form. You can also print out additional forms from our website at: www.rightstuf.com/orderform
